d - Registration Closing

The closing is set at 20/08/2017.

The organizer reserves the right to pursue registration if certain races are still available for sale.

e - Disabled athletes

Are eligible to participate in the 5K, 10K and the Half Marathon races: Visual Deficient Athletes, Athletes in Wheelchair (see condition below).

Are eligible to participate in the 10K and the Half Marathon races: 'joëlettes'. (see condition below).

The Paralympic road race is subject to the official rules of “off-stadiums” races of the FFA.

Registration for the event and presentation of the medical certificate or license are mandatory for all participants (disabled, guides and ‘joëlettes’).

To ensure their safety and to facilitate their start, the organization asked the disabled riders allowed to participate, to contact them by sending us a message to dlp.run.info@disney.com June 1st, 2017*.

To ensure the safety of all the participants of the 10K and of the half marathon, the organization may be forced to take some provisions (ex: limitation of the number of disabled participants...). Thank you for your understanding.

Specific rules:

Visual Deficient Athlete

The blind or visually impaired athlete and his guide are inseparable.

Registration is required for the rider and his guide. They have either the same bib number or a single chip attributed to the single athlete.

It will be impossible to run accompanied by a service animal. Therefore, we offer services of human guides to the registered participants who would like or need further assistance. Please contact dlp.run.info@disney.com before June 1st, 2017 to submit your request for a human guide.

To the possible extent, the guide must be identified as such, with a 'GUIDE' inscription on his bib, or a bright and identifiable color jumper.

Wheelchair Athlete

Important: Wearing a homologated helmet is compulsory.

The athlete must have a competition wheelchair (three wheels with braking device) which complies with IPC (- direct manual propulsion on handrails). He must be able to operate it in all circumstances.

To ensure the safety of runners, an early start will take place for disabled runners.

The "Hand-bike or Hand – Cycling" is not allowed at this event. This activity is considered to be a cycling sport.

«Joëlettes»

"Joëlettes" are eligible to participate in the 10K and the Half-Marathon races.

For safety reasons, maximum 5 "Joëlettes" are authorized for each race departure.

Although this activity is part of the "Federation Française de Randonnée Pédestre", any participant must comply with the official rules of the Disneyland® Paris – Val d'Europe Half Marathon Weekend.

f - Minor

A parent or legal guardian must complete and sign the parental waiver for all participants under 18 years. No exceptions will be made.

The parental waiver is downloadable on the website of the event.

g - Bib

g-1 – To collect your bib

You need to collect your personal participant kit (which includes your bib number edited for events as well as a device of timing for the half marathon) at the *runDisney* Health & Wellness Expo (Disney Events Arena ®) during the opening hours (dates and timetable available on the official website: run.disneylandparis.com)

You will need to submit your official validation of registration (which you will receive by e-mail 15 days before the event) as well as a valid proof of identity. No exception will be made.

No bib number will be sent by post or available the day of the race.

The letter on your race number will determine your starting group. The letters are allocated on the basis of the estimated time of the runners on the course.

No change of starting group will be available at the *runDisney* Health & Wellness Expo.

To retrieve another racer kit, you must show your valid photo ID and a copy of the valid ID of the person you are picking the runner's kit for. You will need to bring the original printed voucher, as well as a power of attorney signed by the runner. It is mandatory that this power attorney shows your first and last name, plus the other person first and last name.

If you don't have acceptable documents, we will not be able to provide his/her race bib. No exceptions will be made.

g-2 – To wear your bib

The athlete must wear visibly throughout the competition, in its entirety, a bib provided by the Organization, on which the emergency medical information form is completed.

For safety reasons if a runner is spotted without his/her bib while in the race, he/she will be asked to leave the course.

h - Proof of time for the Half Marathon

If you are able to finish the Half Marathon of Disneyland® Paris in less than 1:30 hours, proof of time will be required to be part of the first group's departure. Please refer to the Pacing chart available on the Web site of the event, for arrival times and pacing per kilometer.

Proof of time from a certified race must be submitted during the finalization of your online registration, from a race in which runner participated after May 1st, 2016 and specifying: name of the race, Distance, city, State, Date of the race and the arrival time.

If you have no proof of time over then 1:30 hours to provide, please give an anticipated finish time. If no proof of time or an anticipated finish time is submitted before August 1st 2017, the data will be considered as incomplete or unverified, and you will be placed in the last group of departure. To submit or update your anticipated finish time, a link will be available during the finalization of your online registration.

No change of starting group will be made after August 1st 2017*.

i - Withdrawal

Any commitment is firm and final and will not give rise to reimbursement in the event of non-participation. However, it is possible to transfer his bib to a third person, complying with the procedure specified in Article 4 - Transfer of bib.

J - Process of registration for the races:

Please find below the necessary steps for the registration at the races:

1. Application form online / pre-registration (*):

After the purchase of a tourist package including participation in one of the races (stay + bib) or only attending one of the races, you will receive an e-mail with a personalized link to gain access to the platform for registration to register for the race of your choice by filling out your racer profile.

NB: for a minor child the day of the race, only the legal representative of the minor is allowed to include it and complete its rider profile. The legal representative must provide parental consent (document to be downloaded on the website of the event).

2. Initial email of confirmation:

Once the necessary information is filled, the participant receives an email confirming that data are well registered, along with a reference file (useful for any subsequent communication).

3. Add-in and validation of registration:

To finalize and definitively validate its registration, the participant must then access to the registration platform and its profile to provide:

-for the half-marathon: the compulsory supplementary documents (valid medical certificate or photocopy of license valid the day of the race).

-for the other races: parental waiver if registration of a minor

These documents are to be scanned and download directly via the Member's account. The organizer will check the validity of the documents.

Once the profile is completed, the participant receives an email of confirmation of registration, validating definitively its participation.

4. Bib number:

All participants will receive an email 15 days before the event.

This email will indicate bib number (per race) as well as the latest practical information regarding the event.

This document will be needed for bib pick-up, as well as an official identification, valid.

(*) After purchase of a tourist package including participation in one of the races or only attending one of the races in the above registration process, any person not wishing to give his email address will have to apply for registration to the Organizer by mail to: Disneyland® Paris – Val d'Europe Half-Marathon Weekend / building Disney Channel / BP 112-77777 Marne la Vallée - Cedex 04

NB: in this case, a manual processing of registration may cause an additional delay in the validation of the registration phase. The organizer cannot be held responsible for any delay of document (s) sent by mail.

k - Transfer of registration

It is only possible to transfer a registration to a third party designated before 08/20/2017.

To do this, you must make the official request to the organizer by email to: dlp.run.info@disney.com and communicate the identity of the transferee.

The Organizer will keep you informed of the agreement or the rejection of this transfer.

It will alert the new runner, who will then complete his runner's profile on the registration platform. The inclusion of the new runner will be final when the runner will have provided all necessary documents.

Any transfer of bib will cause the cancellation of the participation of the former holder of the bib.

Anyone passing his bib outside these conditions will be recognized responsible, in case of an accident occurred or caused by the transferee during the event. Anyone with a bib acquired in violation of this Regulation may be disqualified. The Organization declines all responsibility in case of accident in this hypothesis

ARTICLE 5: Insurance

a - Liability

In accordance with the law, organizers (and its servants) have an insurance covering the consequences of their civil liability, and for all the participants in the various races of the event.

b - Insurance injury

Unless they were waived, the FFA licensed athletes are covered by an injury insurance.

Most usual insurances (guaranteed via credit cards, insurance...) excludes any participation in a sports competition and therefore the risks associated with your participation in the races of the Disneyland® Paris – Val d'Europe Half Marathon Weekend.

It is important that you check the guarantees and exclusions of your possible daily insurance, and when appropriate, to subscribe to an individual insurance for personal accidents.

This subscription is optional but highly recommended, to the extent where it is the only one to offer participants in a physical activity and sport a warranty for damage they cause to themselves or not found the perpetrators.

It will take place in addition or lack of any current insurance. It can be done with the insurer of your choice.

ARTICLE 6: Sporting rules

a - Jury

The jury is composed of the event race director and a representative from Disneyland® Paris.

b - Competitors assistance

Any external assistance including food & drinks supplies, outside the water stops area, is prohibited.

c - Followers

No follower is accepted, under penalty of disqualification

d - Sticks

The use of telescopic walking sticks is prohibited.

e - Assistance

No external assistance to the Organizer is authorized.

f – Pacing Requirements

All Disneyland® Paris 5K, 10K and Disneyland® Paris – Val d’Europe Half Marathon runners must be able to hold at least a pace of 9.56 minutes per kilometer.

Anyone who is not able to follow the established minimum pace can be recovered at any point in the race and transported to the finish line.

It is suggested to participants to train to reach the recommended pace.

Cyclists will advise runners whether they are below the pace. They will wiggle light sticks to each kilometer and this in accordance with the official race pace. If you reach a kilometer indicator and a light stick is shaken, you are below the recommended pace of 9.56 minutes per kilometer.

For more information, please refer to the section "pace chart" on the official website of the event.

g - Timing

Disneyland® Paris 5K, 10K and runDisney Kids Races:

No timing is provided on these races.

Disneyland® Paris –Val d’Europe Half Marathon:

The timing is ensured by a system of electronic transducer (for single use). It will be automatically initialized on the starting line and will serve as a regularity of race control at various points of the course. Attention: without this bib/chip, no ranking.

A competitor not totally running the roadway / racecourse cannot be classified upon arrival.

A clock will be setup at Km 10 to allow the competitor to visualize its time. A complementary carpet device, will allow the edition of the classification in real-time.

All claims about the race timing must be done within the 10 days after the race results publication. No change will be made after that.
